# LEADERSHIP during the time of COVID-19

COMMONWEALTH of LEARNING

## Dear Friends & Colleagues,

With its devastating effects, COVID-19 is one of the biggest tests for leaders today, and the pandemic has a disproportionate impact on women. We need bold leaders with the tenacity to lead through this crisis while preparing their organizations, institutions and communities to embrace the world beyond COVID-19. Join us for a live discussion with our guest speaker, Professor Belinda Tynan, who will share her perspective on Leadership during COVID-19. The presentation will be followed by a Q&A. We are looking forward to seeing you at the webinar!
